

B32D

FRONT-LOADING DISHWASHER WITH BUILT-IN WATER SOFTENER

PRODUCT DESCRIPTION

100% STAINLESS STEEL

Stainless steel structure and tank AISI 304. Wide double-skinned balanced door.
Upper and lower coplanar wash and rinse rotating arms for easy cleaning.
Stainless steel pump intake filter.

Electro-mechanic functioning.

Stainless steel heating elements, resistant to corrosion and limescale.

Standard equipped with built-in rinse aid dispenser for the best drying results.

Standard equipped with built-in connection for detergent dispenser.

Standard equipped with a connection for the drain pump.

Standard equipped with a basket for plates and a basket for cups.

Extremely easy to use: in addition to the ON/OFF switch, this model is characterized by just one push-button. So, it stands for the right dishwasher even for untrained users and extremely hectic bars and pubs.

Classy interface with chromed buttons. LED lamps are more visible than standard to better control the machine also from far away.
